

The Crossroads Presents A Pictorial

The Crossroads Staff

The Crossroads is a symbol of the activities of Bells High School. Therefore, for a source of memory for the students of B.H.S., the Crossroads is published during each year.

Last spring a selected group of experienced and inexperienced annual staff members from grades nine through twelve began to plan and decide on the many things that create a yearbook. We made layouts, sold ads to merchants, wrote copy, scheduled, and made the many pictures for it.

Now the long hours of work are over. For the 1962 Crossroads, there are no more pictures to be taken and processed, no more deadlines to be met; no more copy to be compiled; no more details to be planned. All that is over and we, the annual staff, present to you the result of our hard work - the 1962 Crossroads.
