What is Junior Varsity football really like? Well, students, it's - - - practice (plenty of it), grinding, grueling rehearsal, briefing, sometimes hot tempers, and just plain old hard muscle work. There is the exciting thrill of a hard fought game and the moans of the crowd when the clock says there is no more time. Then we must look at the score. Some we have won and some we have lost. But as the old saying goes--- "It matters not whether you win or lose, but how you play the game."
