ALMA MATER

*Where cross the two highroads
And many pass by
Our fair Alma Mater stands
Proud 'gainst the sky
And all who seek wisdom
In her halls shall find
A heart that is noble
And gentle, and kind.*

*We hail three Bells High School
Beloved Alma Mater
Our steps shall not falter
Thy light never fail
We drink at the fountain
Of clear sparkling water
We pledge to thee our loyalty,
Bells High All Hail!*

Curriculum

THE STUDY OF ENGLISH

Because the need of communication is our most evident one, English plays an important role at Bells High School. Through our English department students learn correct grammar, enlarge their vocabularies, and increase their spelling and writing abilities.

Instruction in a foreign language is also a necessity in the modern world. Through our French department at Bells, students learn proper grammar, pronunciation, and the cultural aspects of France.

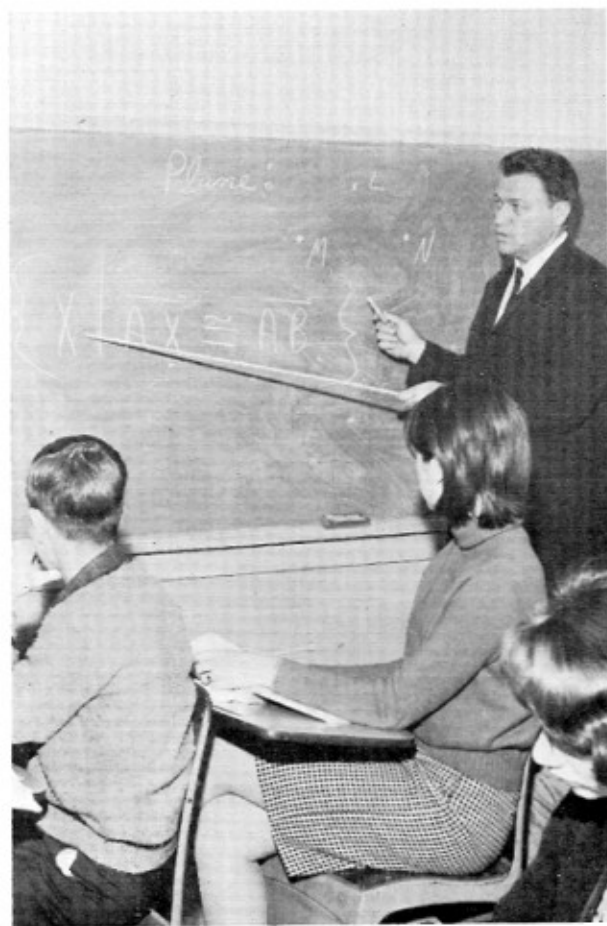

BENEFITS US IN OUR WHOLE LIVES

MATH - LANGUAGE OF SCIENCE

The math department is well equipped with teachers who teach Jr. High Math, Algebra I and Algebra II. Advanced Algebra and Trigonometry are taught every other year.

A STUDY OF HISTORY MAKES US MORE AWARE OF OUR FUTURE

The Social Studies Department at Bells is very important. Through history, geography, and government courses students learn more about the world situation. They are aided in preparing for the future by studying the past and the present.

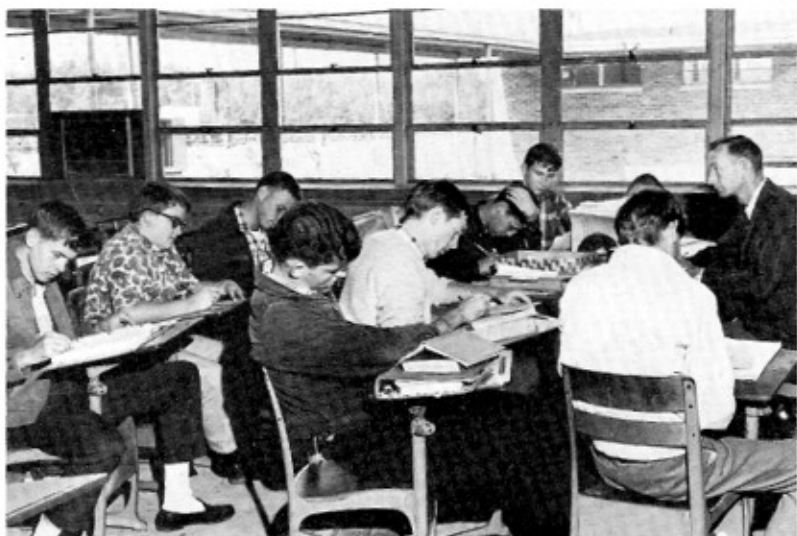

COMMERCE

The Commerce department plays an important part to students at Bells who plan to go into the commercial field in the future. Typing, shorthand, and bookkeeping are offered. This year Personal Typing has been added for the students who will need only a slight knowledge of typing for their own personal use.

AGRICULTURE

The boys in Mr. Smoak's agriculture class participate in many interesting activities during the year. They work with animals, take part in soil judging contests, go on field trips, and work on building projects. Through these activities they prepare to become the farmers of the future.

HOME ECONOMICS

In the Home Economics class, girls learn the fundamentals of cooking, sewing, and other domestic activities. Along with their class work the students are required to perform certain activities at home. They are learning to-day to build better homes for tomorrow.

AUTO MECHANICS

Boys who take Auto Mechanics receive classroom knowledge and actual practice in the shop. This prepares them better for the future if they plan to enter into the trade.

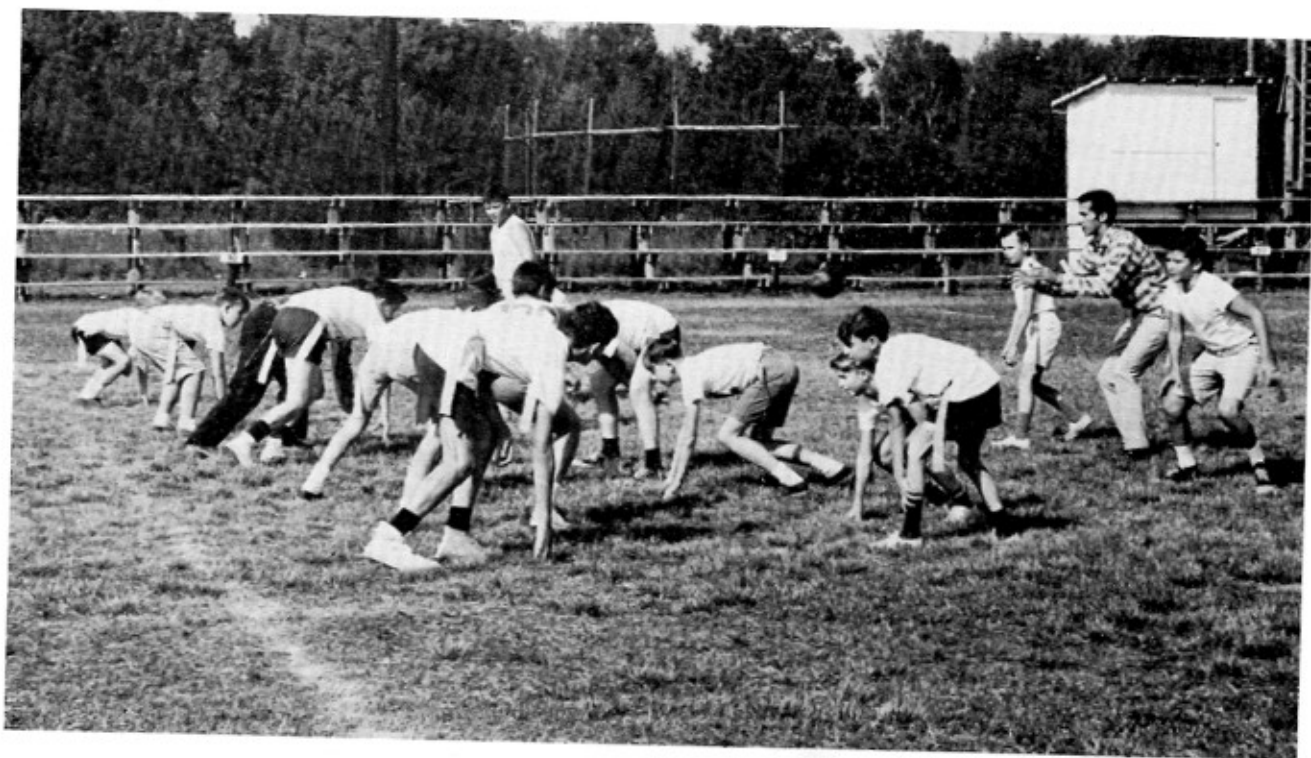

MUSIC AND P.E.

As instructor of music, Mr. D. M. Mackintosh offers private music lessons to students at Bells High School.

The Physical Education classes, taught by Mr. Roger W. Morris, are a must for students in grades seven through nine. They help to keep the students who participate in them physically fit.

STUDENT COUNCIL

The Student Council of Bells High School is composed of four executive officers and the presidents from each home room. They strive together to make Bells a better school.

The aims of the Student Council are to establish a democratic student government, to install the high ideals of good citizenship, and to provide for the general improvement of the school. It also furnishes training in character leadership, and the democratic way of life.

Each year they sponsor the Bells High Contest and the Miss Bells Junior High Contest. Each and every member looks forward to the event, because it is one of the most exciting events of the year. Funds from this event are used to build the scholarship fund, and to send council members to workshops and meetings.

THE BELLS CHAPTER OF THE FFA

PARTICIPATE IN FIELD TRIPS

The Bells Chapter of the FFA has been very active. The FFA stresses leadership and co-operation among its members. The chapter and several individuals have won several awards in these areas. For the second year in a row the Bells chapter has won the State Chapter Award. It also received the District Forestry Award. Freddie Waltz was elected as State Sentinel. He also won the District Public Speaker Award and the District's Most Outstanding Future Farmer Award. Wayne Ackerman, an associate member, received an American Farmer Degree. Jimmy Preacher, Freddie Waltz, and Freddie Paschal each received State Farmer Degrees. We should be proud of our chapter's success.

Reading library books is fun for many pupils.

Mrs. Caldwell's class enjoys the outdoors.
This class takes dictation.

Take time to pledge your flag.

Do you know your multiplication tables?

Nap time!

SCENES OF ELEMENTARY LIFE

The library is an important part of a student's education.

Correct posture makes writing easier.

Students don't always work.
