"SchlieBer Sie den Mund." Guten Tag mein Klasse. Wie geht's?" Learning a foreign language can be exciting as well as interesting. In German this year, we have learned to count, to say the alphabet, geography, and chorus. Our favorite song was "Ah, du lieber Augustin". We also learned Bible verses. "Denn es ist hier kein unterschied. Sie sind allezumahl Sundern und mangeln des Ruhmes, denn sie bei Gott haben sollten." Romer 3:23. "Then there is no difference. For all have sinned and come short of the glory of God."

I wonder if the German people have as good a time learning their language as we do!!

WOW! These conjugations are so much fun!
