

Principal's Message

Principal's Message

"For this child I prayed: and the Lord hath given me my petition which I asked of Him. Therefore also I have lent him to the Lord: as long as he liveth he shall be lent to the Lord. And he worshipped the Lord there." I Samuel 1:27, 28. God's greatest gift to parents is a little child. Psalm 127:3 tells us "Lo, children are a heritage of the Lord, and the fruit of the womb is his reward. We as parents only have one opportunity to educate our children; it is imperative that our choice of education is one that we can be proud of. To send graduates into the world not only with academic training, but with spiritual standards and christian character since the very beginning of its existence.

Each year brings us new developments as we anticipate new and advanced curriculums, an expanded athletic program, extra curricular activities and an opportunity for our students to be trained according to individual talents and abilities. Calvary Christian School is dedicated to train young people to serve the Lord Jesus Christ in whatever profession or vocation they choose. With that purpose in mind we are thankful for the dedicated staff and faculty. Last but not least we are thankful for parents that care whether or not their children win or strike out in "The Contest of Life." Let me express our appreciation to the 1979 "Pathway" staff for producing a beautiful and notable Yearbook. It will be added to our growing memories and accomplishments of Calvary Christian School treasures.

I also congratulate the class of '79. May the Lord bless each graduate and make them successful and productive Christian leaders in whatever walk of life they enter. Remember, "It is no disgrace to fail, but it is a sin to do less than your best.
