

The Sports Banquet this year was one of the best ever. Our guest speaker was Mr. William Barfield, head soccer coach at the Citadel. Mr. Barfield's address was challenging to say the least, and we were later entertained and astonished by a film of the Junior World Soccer Championships. When the awards were presented, everyone was happy, but not too surprised at the results. Tony Pilo won MVP in all three sports, and Lynn Nettles won the Outstanding Cheerleader award. Thank you for making the Sports Banquet '79 a memorable occasion.
