

Senior Class Trip

This year's Senior Trip was spent in Orlando, Florida. Although Peppy, Wilbur, Chlorine, and Enos stayed at the home of J.C. Penny, seldom did they see their sleeping quarters. It was a fun-filled week, including Disney World, bowling, Circus World, deep-sea fishing (and sickness), horseback riding, and canoeing at Juniper Springs. It was a week that will be put in each Senior's scrapbook; just ask Oddball.
