Gadet Captain Richard P. Scott
Camden Military Academy
Camden, South Carolina

Dear Cadet Captain Scott:

I have received the photographs of all of the lovely contestants. From this group I have selected The Queen, and Four Princesses. I have clearly indicated my selections on the reverse side of the photographs, as per your request.

This has been a most pleasant, though unusually difficult task - there were so many true beauties!

Please extend my congratulations to The Queen and the four Princesses, and my best wishes to all of the young ladies.

May I congratulate all of you at Camden Military on your good taste in selecting the contestants.

With best wishes to you and all the members of the Annual Staff, the Corps of Cadets and your Faculty.

Cordially,

ROC:dd
