LIBRARY STAFF

One of the hardest working and busiest groups in school is the Library staff. This group is made up of nine students who help Lt. Zemp in the library. The main job of the Library staff is to acquaint students with library services, resources, and procedure; to create wider interest in good books and reading; and to recruit students for professional librarianship.

We wish to thank Lt. Zemp, who has done very much this year to broaden the sources of information and knowledge of how to use the library.
