FOOTBALL

For the first year of competition the Camden Academy Football Team did fairly well against their tough opposition. The whole student body was behind the team all the way and cheered them on in a winning and losing cause. The entire Cadet Corps went to the opening game of the season at Hartsville, and though the team lost, the spirit was very high all through the combat. The player who showed the most through the season as a team leader was Jerry Davis. He played outstanding football on both offense and defense and whenever the team spirit got low he was there pepping it up. Kenny Hughes also deserves favorable mention for his fine playing. Both of these players are Juniors and are expected back to lead the team on to greater heights next year. Things look good for the Spartans of C. M. A. next year as they had a good crop of players who lacked experience this year but should make up for it next year. The post season banquet for the players was a big success with Archie Beare receiving a trophy for the *Best Lineman* on the team and Mike Brown also receiving one for the *Best Back* of the team.

The Spartans were guided this year by head coach Harold Bullard, line coach Dick Patry, and backfield coach Terry Dukes.

The whole student body is looking forward with great anticipation to a successful and exciting year of football.
