Coaches

The "Spartans" got off to a slow start in their second season of play, but New Yorker Archie Beare got the team moving. Beare was the teams most valuable player, pleasing many people with his fancy ball handling and his sharp-shooting. Helping Beare were seniors Jose Saralta, Jake Jacobs along with juniors Darby Dukes, Jerry Davis, Bobby Flynn, Mike Grimes, and sophomores Hamilton Todd, Tom Griffiths and Charlie Fulgieri.

The team played many eye-catching games but Coach Dukes and the team think the most vivid was Winnsboro. The highly rated basketekers from Winnsboro had a hard time beating off the timely threats by the Cadets. As the game came to a close Winnsboro won by a slight margin, but the defeat was not a sad one because our boys knew they had done a good job.
