## Delta Kappa Sigma

The Academy's honor society was organized this year for the purpose of stimulating interest and discussion outside of the classroom on topics both academic and non-academic. The meetings, held twice a month in the homes of faculty members, are informal and friendly. The group reads one book a month, and every other meeting is devoted to a discussion of the book for that month. Other topics for

discussion are drawn from areas of school life, American politics, world problems, religion, and morals. Members are nominated and elected by the faculty on basis of their grades and ability to discuss different subjects. This years members chose from the faculty, Lieutenant Zemp, Captain Dukes, and Lieutenant Priester to be their advisors.

LEFT TO RIGHT: Bill Swart, Tommy Ryan, Don Dukes, Jon Lewter, Lt. Zemp, Tommy Wright, Bobby Van Hook, Frank Rountree, John Dotterer.
