Opening the second season of football, the cadets got off to a good start. The Spartans won their first two games by impressive scores. The team showed a strong will and lots of determination throughout the season. The team should be well supplied with talent as juniors Fulgieri, Turner, and Miller are returning for another season. As a highlight to the football season, Tommy Wright was chosen the Best Back, Jerry

Davis the Best Lineman, Tip Gibson the Most Improved, and Darby Dukes the Most Valuable Player.

The team was guided by Head Coach Bullard, Line Coach Patry, and Backfield Coach Dukes.

We of the EXCALIBUR would like to take this opportunity to wish the football team the best of luck in the years to come.
