

# Dedication

Around campus we are always glad to see this big man with a big smile. He is a great coach in the class room as well as on the baseball diamond and football field. He has the driving desire to win, and this year turned out the best football team ever. Although he is the coach, he is the sparkplug of the team. His adage is best of all; "It's not whether you win or lose but it's how you play the game, but if you play the game right you won't lose."

The Senior Class would like to dedicate this year's Excalibur TO Coach Harold C. Bullard.
