## • DEDICATION •

We, the Senior Class of Nineteen Hundred and Sixty-Five, take great pleasure in dedicating our annual, the EXCALIBUR, to you, Mrs. Russell.

For the years you have been with the school we all know you as a kind and understanding person. In your daily ac-

tivities you are a friend to many of the faculty members and mother and advisor to all the cadets that make their home here for the school year.

We shall always hold you high in our esteem.
