

• FOREWORD •

We look now with mixed emotions upon the school year 1964-65. With excitement we visualize the unknown adventure of our adult future; yet, with sadness, we see the passing of this dynamic phase of our development. Our progress this year has so become a part of our lives that it will subconsciously guide us always. Our conscious memories will be forever sharpened by the EXCALIBUR of 1965.

"I smile sometimes too."
