

CAPTAIN HENRY TEAM

DEDICATION

The 1966 EXCALIBUR is dedicated to a person we all admire and appreciate—Capt. Henry Team. We of the senior class feel that you deserve this honor for many reasons—

For your untiring efforts to make Camden a better school;
For your willingness to cooperate with faculty and cadets alike;
For your congenial manner with which we are always greeted;
For the concern you have for all the men you coach and even greater, your concern for our campus community;

For your ability as a coach which has and will continue to give our school the spirit and unity necessary to continue its output of well-rounded men.
