

Fine Arts Club

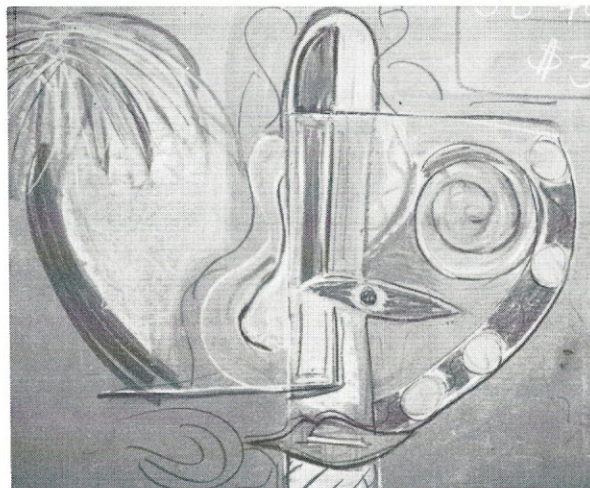

To provide opportunities for the enjoyment of the arts, to develop skills in painting, drawing, and ceramics, the Fine Arts Club was organized this year by Mrs. Lanning P. Risher, under the faculty sponsorship of Capt. Vandegrift. Cadets attended the local plays, and concerts through the efforts of this club, and several campus meetings were open to the entire cadet corps. The club has made significant contributions to campus life and plans are underway for an even more varied and interesting program for 1967-68.

MEET OUR LEADERS. Bobby Ebener, Lance Anderson, Capt. Vandegrift, Mrs. Risher, Dee DeLoach.
