

After feeling the pride of winning and the sorrow of losing, the Spartans were looking for another win, but hopes looked dim and morale was low as the Spartans challenged Lockhart on their field. Things looked even worse as the speedy right half back, Billy Owens, was out with an injury, but it did not take long for Billy's replacement, Joe Kellahan, to boost the spirit up as he darted across the goal line three times to the amazement of his own teammates. Though Lockhart matched score for score, Kenny Smith showed his skills in scoring as the Spartans took their second win.

The Spartans riding a 2-1 start wanted another win as they took on the inferior Dreher Blue Devils. The cadets took an early lead and soon turned the game into a rout as the second and third string added on more points. The Spartans had won their third game 56-0.
