We are the Senior class of 1973. We are just at the beginning of a long hard road. In a few years we will be the idols to the younger cadets, just as the seniors are to us now. We will hate to see our friends graduate but, we will look forward to meeting new students the next year. We will keep up the tradition that has already been made and when 1973 comes, we will step up on the stage, give our final salute here at C.M.A. to Col. Risher, and march off proudly and smartly.
