CAPT. G. T. JOHNSON
Coach

BASEBALL

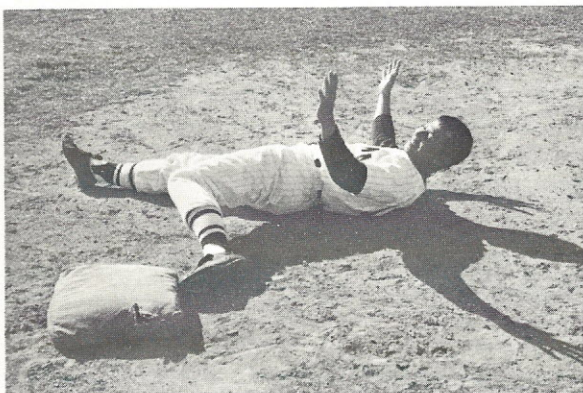

There is nothing more American than a good baseball game, and baseball remains ever-popular at CMA. Coach Johnson, as usual, has put together a fine team, and local schools know that they are in for a battle when they play the Spartans.

Team captain Skidmore and pitcher Steve "Mule" Francis gave spectators some thrilling moments, and everyone on the team played good, solid baseball. Coach Johnson and his teams have built a good reputation for baseball at CMA.
