

TRACK

Coach Van Webber has built a tradition of fine track teams at CMA, and the 1969 season was no exception. Super-stars Marshall Fowler, Doug Dills, Max Fine, Keith Thompson and other track men performed many feats of strength, agility and endurance on the track field.

In one track meet after another, honors were won for CMA, and the Spartans are well known for their ability in field events. The cadet corps of CMA is particularly proud of the efforts of their track team.
