

## CLASS OF '73

ALLEN DERWAY

LEFT TO RIGHT: TONY BRYANT, Secretary-Treasurer; VERNE PACKER, Vice-President; ALLEN DERWAY, President (Not Pictured).

The Class of '73 has had a very good year. We shared in all the activities that took place. We see the excitement as seniors approach their last days at Camden. The Freshman Class can imagine themselves in four years when we graduate. Through the guidance of our cadet leaders and faculty we are quickly preparing to move up in the ranks of our academy. We hail the passing of this school year, 1970, as the most eventful for the Freshman Class.
