

FRESHMEN

We, the class of '74, will to the upcoming Freshmen their first year of high school. What a change! Some words of wisdom from the "old" pros; keep working and get ready to work. The next four years are the testing and final preparatory years before college. College? Who said college? That is still in the future for us, too.

We wish the class of '71 the best of luck in their future years and everybody else of C.M.A. as they walk the hallowed halls, a fun and safe summer and we will see you next year.
