

MRS. TOMMIE PYLANT
Administrative Secretary

Behind every great industry lies an efficient secretary. Such is the case at C.M.A. Without the capable stenographic aplomb of Mrs. Pylant, our school would not function so efficiently.

MEDICAL DEPARTMENT

DR. F. N. McCORKLE, JR.

ABOVE: "Mom" Rose starts an I.V. for one of her patients. Of all the personnel on campus of C.M.A., Mrs. Rose is the most beloved. She always has time, day or night, to help one of her boys.
RIGHT: The lull before the storm. The infirmary just before "sick call." It is indeed a rare occasion when the treatment room is this quiet.
