CLASS OF '72

The time has finally come for the class of '72 to pack their belongings for the last time. It is the time to express the joys of finishing and the sorrows of leaving that which has become a way of life to many of them.

The long road of life is still largely ahead of them, but they have a good beginning because of the victories and defeats they have witnessed and been a part of. Only the future will tell whether or not they will triumph over life's complexities.
