

SOPHOMORE CLASS OFFICERS (Left to Right): Treasurer, ED SPRATT; Vice President, FRED MABRY; President, JEFF WASHINGTON; Secretary, TIM HARRIS.

CLASS OF '74

Let us compare the process of learning to climbing a mountain. One's sophomore year is the half way point in high school. The sub-freshmen are in the foothills, and the seniors are on the peak. As we go, the mountain gets steeper, but by the same token, we become stronger.

The sophomore class would like to offer its blessings to the sub-freshman class, and its congratulations to the graduating class of '72.
