

MAJOR ROY VANDEGRIFT III

The Cadet Corps of Camden Military Academy takes great pride in dedicating the 1972 edition of the EXCALIBUR to MAJOR ROY VANDEGRIFT.

MAJ Vandegrift plays quite a varied role as a faculty officer here at the Academy. Besides teaching, he heads our Fine Arts Club, he is head of the Revolutionary War re-enactment group, and faculty advisor to the EXCALIBUR.

The biggest problem we can find with MAJ Vandegrift is the fact that he is determined to find out who this annual is dedicated to! Well MAJ V., here it is!
