

DEDICATION '73

LTC WILLIAM P. BECKHAM

For all his years of service to Camden Military Academy, and all the duties he has performed here, we would like for him to know how we appreciate everything he has done for us over the years. He has captured everyone's heart with his familiar sayings, such as "Bullring **WILL** walk!" and "When in algebra, do nothing but **LIVE** algebra, **BREATHE** algebra, **THINK** algebra, and **DO** algebra!" For all that he has done for us, we the Cadet Corps and the **Excalibur** Staff proudly dedicate the 1973 edition of the **Excalibur** to you, Lieutenant Colonel William P. Beckham.
