

DEDICATION

"Bowers is cool!"—New CMA saying.

New teachers aren't always the most popular teachers, but we the cadets have voted to dedicate the **Excalibur** to Captain Bowers because we think he is a mature, understanding person and a great human being. He means a lot to the cadets he teaches, especially the seniors, and we hope he will remember the class of 1974 from his first year at CMA. For all you mean to us, we the cadet corps and the **Excalibur** staff proudly dedicate the 1974 edition of the **Excalibur** to you, Captain John Bowers.
