

# Spirit of '76' Dedication

This is only SSG. Richard B. Cayton's second year of service to Camden Military Academy. However, during those two years he's contributed quite a lot. In addition to his responsibilities to the Military Department and his duties of an ROTC instructor, he is also in charge of a state champion rifle team, the buses, and the Boy Scouts. He's never too busy to come to the aid of a cadet or our school, no matter what the time. For that devotion, we the corps of cadets, dedicate this Spirit of '76 annual to him with our wishes for a long and rewarding military career.
