Mrs. Dallas

Mrs. Anne Dallas is our school librarian. She works very hard to try to fill everyone's needs, through newspapers, books, magazines, and films. Mrs. Dallas' work is never done and we of the *Excalibur* staff thank her for her never ending work to help improve our school.

Mrs. Pylant

Mrs. Tommie Pylant has dedicated more of her life here on our campus than any other member of our staff. Mrs. Pylant has been the Academy secretary for 18 years. We hope she's going to be here another 18 years.

Mrs. Davis

Mrs. Bessie Davis is our school dietician. She works seven days a week to bring us the meals we all enjoy, though she doesn't receive a whole lot of credit. We of the *Excalibur* staff thank her and her staff.
