

Bands

The Pep Band is composed of selected members from the marching band, top musicians who help build the spirit of the team and of the spectators, and who entertain at all games. The Pep Band traveled with the basketball team to Spartanburg, S. C., for the P.A.C. tournament and received many compliments on their performance.

Doing our thing!

The Drum and Bugle Corps is a new addition to the music department of CMA. Members play at evening dinner formations, while the corps of cadets forms and marches into the mess hall, as well as on special occasions. The Drum and Bugle Corps marches with the CMA Band at local and at dress parades, adding a touch of spice to them.
