

# Library Staff

Library Staff: Mrs. Dallas, Sarata, Garner, Hutto, Cottle, Johnson, M. T., Brackett, Molina.

This group provides cadets with reading material and reference material that they need to supplement classroom information.

The library is held open each evening during the week by a student librarian. Students add the experience of cataloging books and gaining new skills. Our library is always undergoing improvement with books, films, magazines and newspapers added constantly.
