Baseball

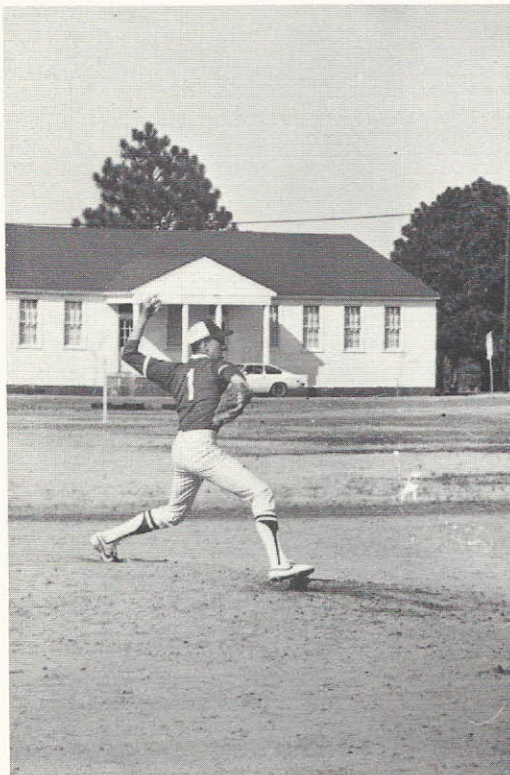

The 1977-78 baseball line-up brings to bat a young but very enthusiastic team. Four senior players and three junior players round out the top of the club. The team hopes that as the season progresses, players will win the conference and continue the winning tradition at C.M.A. Coaches Gary Fast and Steve Tucker both have experience with college baseball and hope their knowledge, coupled with an energetic team will find C. M. A. once again atop the Palmetto Athletic Conference.
