

Block C

Block "C" is comprised of cadets who have lettered in a varsity sport at CMA. Our intermural athletic program includes several sports in which cadets may earn varsity letters: football, basketball, soccer, baseball, track, and golf.

At right, Capt. Thorp and his crew work in the concession stand at one of our home football games.

Flight Club

The CMA plant adjoins Camden's municipal airport, Woodward Field. Interest in air activity is understandably keen among cadets and this year four students earned pilot licenses. First semester, under SFC Cayton's tutelage, CMA student pilots appeared in four three-hour ETV flight instruction programs as they received standard ground school training.

Gary Parker, Bernard Elam, Charles Bodenhamer, Joe Greenburg and Tracy Jones.
