The Debate Team, coached by Chaplain Swager, participated in the Carolina Debate Circuit and represented our school outstandingly. In February, Cadets Adelman and Lewis journeyed to Williamsburg, Virginia, representing South Carolina in the National Bicentennial Debates.

Debate wasn't the only form of forensic competition this year. Several cadets excelled in dramatic interpretation, original oratory, and extemporaneous speaking. A majority of Debate Team members belong to the National Forensic League and several hold advanced degrees of honor, excellence, and distinction. Cadets also participated in the Voice of Democracy Radio Speech Contest and the Optimist Club Oratorical Contest. CMA presently holds second place in the Circuit standings behind A. C. Flora High School and winning out against such schools as: Spring Valley High School, Allendale-Fairfax High School, Dreher High School and others. One member of the squad is also a member of the S. C. State Debate Team. Hard work does pay off as Cadet Adelman has been offered a debate scholarship to the University of South Carolina.
