DKS holds bi-monthly meetings in the Library. During these meetings the group holds discussions and presents programs of academic interest.

Delta Kappa Sigma (DKS) honor society is composed of fifteen cadet members, ten seniors and five juniors, who have been selected by the faculty for having displayed qualities of leadership, honor, integrity, and academic excellence. Members of this elite group are distinguished by the special ribbon which they wear on their dress coats, and by pins bearing the DKS insignia.

DKS holds meetings twice monthly to discuss current social issues and to plan outings and field trips. The movies *The Lincoln Conspiracy* and *The Great Late Planet Earth* and a guided tour of the nuclear power plant at Hartsville were highlights of this year's excursions. Officers for 1977-78 were Peter Adelman, President; Rory Barth, Vice-President; and Edward Garbade, Secretary and Treasurer.
