A break during the practice session.

Success for small bore rifle shooters requires physical and mental control coupled with team spirit and one hundred per cent effort on the firing line. The Rifle Team fires in many different types of matches on ranges varying from fifty feet to one hundred yards, and in one to four different firing positions. The team practices in our own five point, fifty foot range. Under the guidance of SFC Cayton and SFC Darrow, they achieved these recent records:

- First, National ROTC 1977
- First, SC NRA and ROTC 1977
- First, Florida State Team 1977
- Second, Georgia NRA Team 1977
- First, SC Three Position Team 1977
- First, ROTC Team, Charlotte 1978
