

First Squad: Cheek, Barth, PSg Darrow, Elam, HG Runyan.

BULL'S-EYE!

Each year cadets with high marksmanship training scores make up CMA's rifle team. The squad competed in many matches this year and did well. PSg Darrow is the adviser, Gregg Runyan the team captain. It takes a lot of physical and mental control to shoot with precision and this year's team was as near perfect as we have ever had.

Second Squad: Calvert, Suddath, JE Jones, Ballard.
