

THE FRONT PAGE

Extra, Extra, read all about it . . .

This year's **Adjutant** staff, comprised of the sixth period English Composition Class, produced weekly some of the most readable and informative newspapers ever published on this campus. Students write, edit, produce, and distribute the publication right here on campus.

The same group compiles the **Excalibur**, CMA's yearbook. The results of that effort are these very pages.

The entire staff works for a better publication.

Puzzle Corner

- 1) At a pet store, puppies cost \$5, kittens cost \$3, and goldfish 50 cents. Can you buy 100 animals for \$100?
- 2) What's the only English four-letter word that ends in "eny". Eeny doesn't count!

Answers to last weeks' puzzle:

- 1) A half dollar and a nickle, (one was not a nickle.)
- 2) Three feet, (the boat rises with the tide).

Sit at the SAT

Tomorrow, a small group of nervous seniors will travel to Camden High to take the Scholastic Aptitude Test. The test measures a student's scholastic competency, and is evaluated by the college a person applies to. Good Luck!

Visitors Day

Cadets, it's that time again: Annual Visitors' Day. The day's activities will begin with inspection of the barracks by parents from 2:00-3:30. A Band concert is scheduled for 2:30 outside the Band room. At 3:30, the Drill team will show their precision in an excellent performance on the Parade Field. After the Drill team's exhibition, a Dress Parade will follow at 3:50. The day will finish with a reception for everyone in the Dining Hall. Happy Visitors' Day!

Cadet Portrait Days

It's your time, underclassmen, for your pictures. So shine those Dress coats and look sharp. The pictures will be taken November 5th and 6th.

The Excalibur Staff will announce, prior to picture taking, where, when, and how the pictures will be taken.
