

# CMA SPARTANS

Lindy Runyan scrambles to pass.

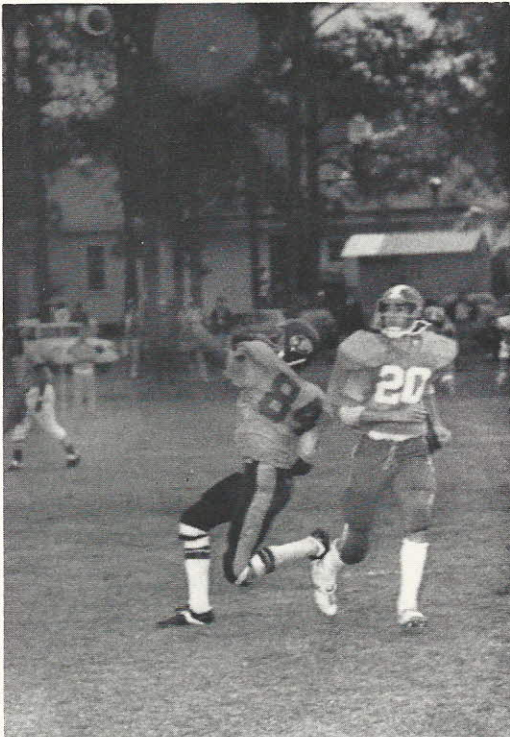

## VARSITY FOOTBALL

The 1980 football season was one of ups and downs. The team, coached by Captain Tom Huff, had only two returning lettermen this year, JJ Gardner and Price Osteen. The Spartans started out a little slow, but improved as the season progressed, ending with a 2 — 5 record. But even with that mark, the team was well-satisfied to have won the Palmetto Athletic Conference Championship, a first for any football team at CMA. Coach Huff was proud of his team and appreciative of the people who stood behind him.
