

INTRAMURALS

Companies competing in volleyball tournament.

Zeb Forbes goes for the ball.

Swimmers take their marks.

Intramural competition is held at the end of each six-weeks physical education period. Companies vie for victories in flag football, track, softball, basketball, tennis, soccer, volleyball, and swimming. Some cadets have elected to take horseback riding instruction at the Camden Hunt Stables. Whatever the sports choice, physical training, fun, and competition provide individually rewarding recreational activity for each cadet.
