

### And the beat goes on.

Everybody loves a parade, but what would a parade be without a band? Ours has three components: pep band, concert band, and intermediate band. Combined, they make up the marching band which keeps the cadence during drill practice and makes every marcher step out best foot forward for Sunday dress parades. Major David Green directs the group which performs for concerts, at ballgames, at assemblies, in holiday parades, and for patriotic ceremonies. Strike the band!
