

MOLDERS OF YOUTH

Promoting the whole-man.

The faculty at CMA plays a major role in promoting the whole man concept embraced here at Camden. Special care is taken to employ as molders of men, faculty members who are well-qualified academically and who will strengthen the character and moral fiber of cadets.

Degrees held by the faculty include ten Bachelor of Arts, nine Bachelor of Science, and ten Master of Arts, awarded from such diverse institutions as The Citadel and the University of North Dakota.
