Bus Drivers, above, perform an invaluable service to CMA. Every Sunday drivers are responsible for transporting cadets to and from church. They also drive cadets to town for leave on weekends for a brief respite from the daily schedule. The Laundry Staff, below, insures the corps speedy and reliable service with major assistance from the Camden City Laundry and Cleaners. Both transportation and laundry service support the infirmary operation, twice-daily sickcall and bed care for those requiring continuing attention.

Mrs. Neeka Wilson, school nurse, is always on hand to help those feeling under the weather, in this instance Mark Hannett.

Laundry Room Staff: Emory Johnson, David Newman, Howard Hunt, Dalton Kern, Capt. Ysbrand Van Duyn (advisor), Michael Coffey, serve Jim Vogt (front).
