GIVE AND GO

Kicking their way to victory.

Soccer team members passed, kicked, and almost literally blew nearly every opponent off the field. The final record stands a devastating 7-2-1, one of the losses being, unfortunately, the conference game against Heathwood Hall. In that contest, play went into overtime during which Heathwood succeeded in scoring.

The Spartans also played two pre-season games with Joseph Kershaw Academy and Camden High against whom they blasted ten and five goals respectively, with no goals scored in our net. Composition of this super team included six graduating starters, guaranteeing next year's booters a lot of work ahead of them.
