Guidon — David Ramsey, 1st PLT. Leader Warnock, 2nd PLT. Leader Davenport, 1st SGT Price Barr, Advisor — Com. Feltham, Company Commander — David Galemore

## EVIL "A"

Alpha Company is not just a company with cadets; it is more like a family. The cadets work together as a team, not just a few cadets doing the work. Team spirit is working resulting in a strong candidate for honor company. The company commander, David Galemore, and the rest of the officers provide the drive and motivation for the rest of the company. One cadet went so far as to say that the cadets in the other companies are trying to get moved into "A" because it's the best.
