

# Band & Staff

Band and Staff, generally referred to as "Q-Land," is divided into two parts, band members and staff, which includes the battalion staff officers and members of the color guard, cannon detail, and armory and office staffs. Band is a small company, the place uncrowded with carpeted rooms and hallways. "I do love my carpet," says junior Michael Richardson.

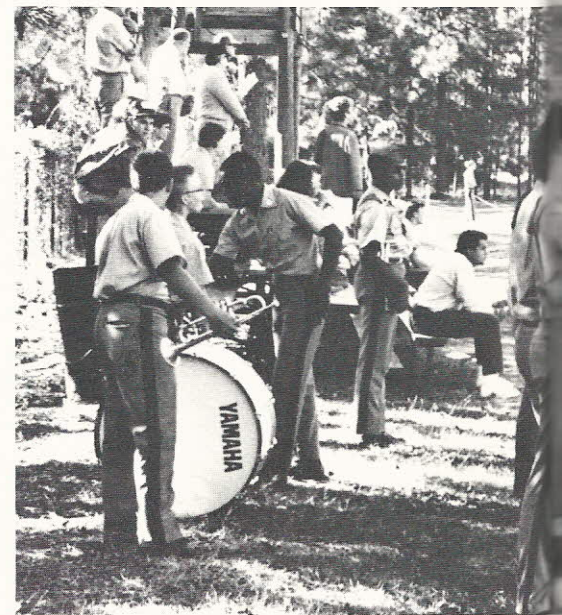

Bermudan Steve Godwin says, "Band Company is a company that makes you feel at home. "Everyone is like a family." "Q-Land" is special and if there were not a band, there would be less excitement in dress parades. Band Company members hold their heads high and let it all flow out.
