

PLAYING HARD

gaining experience

JV and 7th and 8th grade football teams had 1-5-1 and 0-5 records respectively. Standouts for the 7th and 8th grade gridders were Damon Burris, Mike Gerber, Jonathan Ostrowski, Wes Mott, Will Rutledge, and Eric Story. The JV team had several outstanding players. Against Thomas Sumter, Mike Huff ran for a TD and Jeff Belk caught a two-point conversion pass, enabling the young Spartans to tie the Generals. Then they traveled to Heathwood Hall for their last game of the season. For the past three years the CMA JV team has won its last game and this squad wanted to carry on the tradition.

Led by running back and linebacker "Smiley" Strickland's two touchdowns, the Spartans upset the Highlanders 12 to 8.

Although not as successful in the win column as they would like to have been, both teams played hard and gained a lot of experience.
